Visually engaging, enticing and current examples with an overall focus on business.

Legal Environment of Business and E-Commerce; Torts, Crimes, and Intellectual Property; Contracts and E-Commerce; Domestic and International Sales and Lease Contracts; Negotiable Instruments and E-Money; Credit, Secured Transactions, and Bankruptcy; Agency and Employment; Business Organizations and Ethics; Government Regulation; Property; Special Topics; Global Environment

MARKET: Business Law continues its dedication to being the most engaging text for readers by featuring a visually appealing format with enticing and current examples while maintaining its focus on business.

The size of the text was more than I expected but I'm glad I purchased instead of trying to use the online version the school offered. I especially appreciate having the study guide as it's helped me study for my midterm and will help with the studying for my final.
